

## **The Center of Being Introduces A New 2010 Tokens of Gratitude Prosperity Sharing Program**

We are pleased to announce that effective January 1, 2010; The Center of Being, Inc will introduce a new one-year experimental Prosperity Sharing Program called “Tokens of Gratitude”.

In our Tokens of Gratitude program, The Center of Being will award a special “Manuals Credit” for each IET level (Basic, Intermediate, or Advanced) that a Master-Instructor has “initially” taught and certified a student who then goes on to graduates from one of our 2010 IET Master-Instructor classes. The Manuals Credit will be in the amount that the Master-Instructor paid for their manuals for each level taught the graduating student (currently \$11.00 for each English manual and \$12.00 for each non-English manual).

Please Note: Tokens of Gratitude are for “initially taught” IET Students, thus, Students who are “repeating” a Basic, Intermediate or Advanced class do not qualify for our Tokens of Gratitude.

If, for example, a Master-Instructor initially teaches a student the Basic, Intermediate, and Advanced IET levels using English Manuals and that student attends one of our IET Mater-Instructor classes, then the Master-Instructor will receive a \$33.00 Manuals Credit. Likewise, if that Master-Instructor has initially taught 5 students who attend one of our Master-Instructor classes, they will receive \$165.00 in Manuals Credits.

If two or more Master-Instructors co-teach a student who graduates from one of our Master-Instructor classes, then the Tokens of Gratitude will be awarded to the Master-Instructor who purchased the Manuals for that student.

These Tokens of Gratitude Manuals Credits can only be used for the purchase of IET Manuals (and their associated shipping costs) of any level (Basic, Intermediate, Advanced, Pets, Kids, or Healing Angels) and will automatically be applied to any IET Manuals Purchase made by the Master-Instructor. Tokens of Gratitude cannot be used for the purchase of books or audio products, nor can they be redeemed for cash.

Manuals Credits are good for a period of 1-year and will automatically expire after that time period.

At the end of 2010 we will review the success of our Tokens of Gratitude program and determine if it will be extended into 2011.
