Healing the World One Heart At A Time

IET continues to grow at an incredible rate. We now have over 320 Integrated Energy Therapy Master-Instructors worldwide. There have been more than 1000 IET classes and more than 6000 students taught.

IET classes range in size from 1 to 95 students with an average of 7 students. The percentage of Master-Instructors teaching IET remains at 25%.

IET is rapidly spreading not only in the US, but also in Belgium, Canada, The Netherlands, Ireland, Germany, and Saudi Arabia.

The angel's intent of spreading IET to the four corners of our globe is being fulfilled. We must continue to work together as a global IET community to heal the world one-heart-at-a-time.

Integrated Energy Therapy News

We wish you a Blessed New Year!

Everyone here at the Center of Being wishes you a happy, healthy, prosperous and miracle-filled New Year.

Karen J. Puglia to teach Master-Instructor Classes

The demand for Master-Instructor classes has exceeded Stevan's teaching capacity. After considering all IET Master-Instructors, we are pleased to announce that we have invited Karen J. Puglia to become an associate of the Center of Being, Inc. to serve as our second IET Master-Instructor trainer. Now both Stevan and Karen are certified to teach the IET Master-Instructor class. In 2002, Karen and Stevan will each teach approximately half of the Master-Instructor classes that we offer. We ask you to join with us in wishing Karen well in her new teaching activities.

Our 2002 Festival of Light and Master-Instructor Retreat

Our 2001 Festival of Light and Master-Instructor retreats exceeded our wildest dreams. We want to thank everyone (human and angelic) who made this event possible. In 2002 we are planning an even bigger and better IET event by combining these two popular IET events into the same 3- day weekend, October 11 to 13 in Parsippany, NJ. Complete details will be provided in the next issue of the journal. Be sure to mark your calendar now - October 11 to 13, 2002.

Would you like to Clear Your Karma?

We introduced a new IET technique at the Master-Instructor retreat that lets you Clear Your Karma with the Energy of Angels. The technique was so powerful that we captured the process in our new **Karma Clearing** audio tape. You can receive the benefit of the process simply by listening to the tape. See page 5 for further details.

Need Angelic Support?

The "Need Angelic Support" feature on www.LearnIET.com lets anyone request healing support. A team of IET Master-Instructors receive your request and send you IET energy. We have received over 800 requests from the US, Canada, Ireland, Belgium, England, Saudi Arabia, and South Africa. We have also received many touching testimonials of the miracles that have resulted.

A Message From Stevan

Angel Ariel says that the Karmic Clearing started in 2001 is well underway and that we have made much progress. She says that our healing theme for 2002 is forgiveness. We are to build on the positive results of our karmic clearing and forgive.

Everything can be forgiven. There is nothing that you or anyone else does that cannot be forgiven. At every moment you are pure potential; the potential to forgive and act from love and the potential to judge and act from fear (by attacking and destroying).

Acts of loving kindness and acts of horrible violence are both part of the Divine plan. They are the karmic stage that is set for us. Whenever life presents you with a situation, always ask yourself "What would love do?" The answer will be to forgive and act lovingly. Then, heartlink to the Healing Angels, especially to Angel Daniel, ask that they "Work with you and through you, as they guide, direct, surround and protect you". Also ask that "All your actions be from love and for the highest good and highest healing". Be sure to keep cellular area 7 (anger and resentment) clear, for forgiveness can bring up energy in this area for clearing.

Forgiveness does not result in passivity or non-action; rather, it results in loving action driven by the passion of your soul in alignment with your soul's mission. Your loving action may be prayer, sending heartlinks to others, saying no to others, supporting a loving cause, offering an act of loving-kindness, offering an IET session or building a heartbeam. Every loving action you take adds to the energy of love in our world. Love is much stronger than fear and your forgiveness inspired actions will not only improve your life but can also bring peace on Earth.

When practicing forgiveness, start with yourself. Forgive yourself for what you have done and what you have not done. Then forgive you family and friends, your neighbors, and co-workers, then continue outward into the world around you. Remember the Zen saying "Everything in this moment is perfect and complete lacking nothing". In support of this spiritual truth, Angel Ariel has channeled a vision of forgiveness that we have called "In This Moment - The IET Vision". It can be found on page 5. Please read it and please live it.
