Introducing Our New IET Logo

We are pleased to announce the introduction of our new logo for IET. Designed by Webworks in Ireland, the IET logo features a full color beaming hands image of Angel Ariel surrounded by a halo of golden colors. You can feel the IET energy radiating from it!

While a black and white version is shown above, a full color version of our new logo is featured prominently on the homepage of www.LearnIET.com where you can copy it.

We encourage you to use this IET logo in any and all IET advertisements you want to.

Integrated Energy Therapy® News

Our “Cyber Journal of Energy Therapy”

In January, we introduced the “Cyber Journal”- an electronic version of the Journal of Energy Therapy that we distribute via email. IET students with email addresses received January, May, and July issues containing informative articles, updates and IET news. If you have an email address and did not receive these “Cyber Journals”, please send us an email at: Journal-Of-Energy-Therapy@LearnIET.com and we will add you to our cyber list. If you do not have an email address, perhaps you have a friend who does, who can receive your IET news updates for you? As we continue to grow, we will move more towards cyber mailings in the future. You can also read and print the Journal of Energy Therapy at www.learniet.com/journal_of_iet.htm

IET Continues to Expand Around the World

We continue to be amazed and delighted at the incredible growth of IET, and extend our appreciation to you for making it happen. Here are the current statistics:

IET students at all IET levels taught worldwide: 11,079

Number of IET Master-Instructors: 743

Countries IET has been taught in: Belgium, Bonaire, Canada, England, France, Germany, Ireland, New Zealand, Saudi Arabia, South Africa, St. Martin (Netherlands Antilles), Switzerland, The Netherlands, USA, & more.

IET and Reiki - Perfect Together

There are many IET students who are also Reiki students. The IET energy and the Reiki energy blend together powerfully to support you in your self-healing as well as your clients in their self-healing. IET Master-Instructor Hallie Sawyers has formulated a simple yet powerful approach to integrating Reiki into her IET session. She will be presenting her approach on Friday October 24, 2003 at the IET Master-Instructor Retreat. A full description of her approach can also be obtained on-line at <http://www.learniet.com/articles.htm>

“Interview With An Angel” Goes on Holiday

Interview With An Angel, co-authored by Stevan J. Thayer and Dr. Linda Nathanson, first published in 1997, is currently in its 6th Dell Paperbacks printing, and has been translated into Italian and Portuguese. Ariel’s message is traveling around the world.

IWA is shown here on a beach vacation with IET Master-Instructor Randy Blair (left) and a Portuguese translation was found in a bookstore in Brazil by IET Master-Instructor Sharon Yeskel (right).

A few first edition hardcover copies are still available through the Center.

Integrated Energy Therapy® Master-Instructor Classes

Taught by IET Master-Instructor Trainers

Stevan J. Thayer and Karen J. Puglia

Our Master-Instructor program is open to students who have completed the Basic, Intermediate and Advanced level IET classes by the time of the training. As a Master-Instructor, you will be empowered with the highest level of IET energy available, for your self-healing, or to support others in their self-healing journey. In addition, you will be able to offer the Basic, Intermediate, and Advanced level attunements, and teach these three levels of IET training classes.

This training is two powerful days of energy expansion, self-actualization and healing. Many Master-Instructor students take this class to enhance their lives with the powerful Master-Instructor energy, energy attunement implants, energy attunement activations, and prosperity expansion. About 25% of IET Master-Instructors teach IET classes.

A Message From Stevan

Our world is entering into a state of rebalancing after the recent Iraq conflict. The aggression has ended and rebuilding has begun. As our world underwent conflict and aggression so did we. Each one of us was subjected to a worldwide energy of aggression and conflict that may have had a negative effect on our personal energy field. As the world around us rebuilds, this is an important time for each of us to attend to rebuilding our personal energy field as well. We can use our IET energy and a special blend of IET techniques to help us rebuild quickly. Here is a special energy field rebuilding technique that I use on a daily basis. I encourage you to use it too.

Stevan J. Thayer

1. **Heartlink:** touch your thumb to your middle finger and activate an angelic heartlink to Angel Ariel, all the Healing Angels, your own personal angels, and connect to the highest vibration of divinity that you can connect with.
2. **Invite The Angels To Help You:** offer a prayer inviting the Angels to work with you and through you as they guide you, direct you, surround you and protect you. Ask that this energy rebuilding process be for your highest good and highest healing.
3. **Heartbeam:** Advanced Level IET students establish a heartbeam by running the heartwave energy 10 times from your soulstar into the Earth, Master-Instructors extend the heartbeam into the I-Chi Exercise, Basic and Intermediate students skip this step.
4. **5-Minute Empowerment:** Do a 5-Minute empowerment in which you touch each of the nine sets of integration points for 30 seconds.
5. **Clear Your Karma:** If you have experienced the Karma Clearing process either in person or through our Karma Clearing audio tape, reactivate the process by touching your thumb to your ring finger. Hold for 30 seconds then for extra clearing, touch the karma integration points on the back of your skull for another 30 seconds.
6. **Achieve True Forgiveness:** If you have experienced the IET Forgiveness process either in person or through our Forgiveness audio tape, reactivate the process by putting your palms together in prayer pose. Hold for 30 seconds.
7. **Final Balancing and Grounding:** Place your right hand on your left knee and your left hand on your right knee.
