## *Integrated Energy Therapy® News*

### *The Department of Education Approves!*

Integrated Energy Therapy® classes are a key part of the new Mind/Body Therapies diploma program which is being offered at Pennsylvania's Center for Human Integration and has just received PA Department of Education approval.

### *Announcing NCBTMB Massage CEUs for IET*

We are pleased to announce that IET® Master-Instructors Colleen and Jim Helbert of Georgia have not only received approval to award massage CEUs to their own IET students, but they have also established a new process that will allow any US IET MI to enroll so they too can award massage CEUs to their own students. (6.9 hours for Basic, 6.7 hours for Intermediate, and 6.7 hours for Advanced). Please see [www.LearnIET.com](http://www.LearnIET.com) or call us for details.

### *What is Better Than a Master-Instructor Retreat? Two Master-Instructor Retreats!*

We would like to thank the 2004 retreat speakers, assistants, and participants. Over 125 Master-Instructors from around the world attended our USA IET MI Retreat and nearly 100 Master-Instructors attended our first Irish MI Retreat. Our 2005 USA Retreat will be held on October 21, 22, & 23, 2005 and our Irish Retreat will be held on September 24, 2005. If you plan to attend, please register early, as the 2005 retreats are likely to be a sellout!

### *Don't Miss Out on our Cyber Journals Make Sure We have Your Email Address*

The need to share new IET information with you (more than twice a year via this Journal) is making us go cyber (via email and websites). If we have your email address, then you already received the email version of this Journal. If you did not receive an email version, and would like to, then please send an email to [Journal-Of-Energy-Therapy@LearnIET.com](mailto:Journal-Of-Energy-Therapy@LearnIET.com) and we will add you to our list.

### *Hable Español?*

Our IET Basic and Intermediate level training guides are now available in Spanish, and we anticipate that our Spanish Advanced guide will be available shortly. We would like to thank IET Master-Instructors Beatriz Ortega-Schriber and Annemarie Schoone-Eberle for their skillful translation of our IET guides.

## Cutting the Cords of Codependency, Living Your Life's Essential Action, and Being Free!

Angel Ariel predicted that the healing theme for 2004 was going to be freedom. Well, she was definitely right! All you had to do was listen to the news and you heard about freedom. There was Operation Iraqi Freedom, freedom from terror, freedom of choice, freedom for gays to marry, freedom of the press, etc. We know from metaphysics that if we want to support the causes of freedom in the world, we must first work to achieve freedom in our own life.

Freedom is defined as the quality or state of being that is without constraint, coercion, or necessity in choice or action. True freedom is not dependent on external circumstances. Rather, it is an inner state of being. When we are truly able to live from our empowered heart energy and express our life's essential action, we are free. And conversely when we are free, we are able to live from our empowered heart energy and express our life's essential action. The primary cause of our loss of freedom is our attempt to give away our energy in order to obtain love and approval from others, as well as to control the behavior of others (something psychologists call codependency).

Angel Faith is the Healing Angel whose gift is faith and the freedom it brings. I channeled many messages from Angel Faith who was eager to share her wisdom in an effort to help us find and keep our freedom. I combined Angel Faith's wisdom with IET energy techniques to create the new IET Freedom Process that lets you easily cut the energy cords of codependency and be free.

The IET Freedom Process uses the power of the IET Forgiveness Process (in which we imprint the sacred geometry of the Mer-Ka-Ba into the secondary chakras in the palms of our hands) to create angelic energy halos that act like laser beams to cut the cords of codependency. Not only can you use the IET Freedom Process on yourself to achieve freedom, but you can also use it to help others achieve freedom too.

Being able to quickly cut the cords of codependency is especially important to anyone who has used the IET Empowered Heart energy process. The Empowered Heart energy is so powerful that it causes you become energetically like a hot air balloon lifting off the ground and ascending. Some people will be in perfect resonance with your Empowered Heart energy. They will be inspired with the journey that you are taking, and will eagerly join you in your wonderful journey of transformation. However, some people will be polarized into fear by your empowered heart energy, and out of fear they will try to hold you and your life down. As you use the IET Freedom Process to cut the cords of codependency, you will be free and your life can soar!

When we cut the cords of codependency, we release our need for approval from others, and no longer act codependently. Nor do we act independently. Rather, we live our life interdependently with others. We look inward and upward to the Divine for approval, and we express our life's essential action openly in service to those people who are wonderfully open to receive it.

Freedom-based interdependent relationships are a necessity for us to live our life's essential action effectively in the world. It should not be surprising, therefore, that according to Angel Ariel, "sacred relationships" will be the healing theme for 2005.

I wish you and all your loved ones a Happy, Empowered, and Freedom Filled New Year.

Karen Puglia

### *Thank You Angels For IET*

*Thank you Angels for IET  
For without this gift  
where would we be?*

*We try to practice limitless thinking  
But we often feel like we are sinking.*

*With life filled with so much stress,  
It is our inner most fears  
we must address.*

*We hang on tight sometimes it seems,  
For we are learning that IET can  
manifest our dreams.*

*The Universe is spinning very fast.  
A higher vibration of energy  
is here at last.*

*Although we claim we are ready  
to let go,*

*The changes often happen rather slow.*

*The Angels guide us and take our hand  
But still our fear is where will we land.  
This journey is all about finding trust.*

*We owe it to ourselves,  
so trust we must.*

*The first step is so very scary  
and filled with doubt.*

*But we must remember the Angels  
are here to help us out.*

*So with Gratitude we say,  
"Thank you Angels for IET."*

*For without this gift  
were would we be?*

To all IET practitioners,  
may 2005 bring you much joy, good  
health, and all that you desire.

Maria Peterson

At the MI Retreat we began anchoring the energy of Freedom. We created a big force and now there is a lot of shifting and movement to make freedom happen in our lives. As this energy filters through my being and into my physical world, things are revolving and changing, some of them with ease and others with a grudging release. All those colds, sore muscles and other discomforts in our bodies, are us holding onto our own outdated thinking. We're holding onto old patterns that no longer serve us. Here are some of the things I am doing to keep myself centered and in joy.

Keep breathing. If you find yourself holding your breath, this is a sign that you are resisting the change that is occurring. Simply breathing allows you to keep moving, safely and at the pace you can handle.

Spend time outside. Even if it's just a walk down the driveway, get out of your home, which can become a box, especially for those of us who live in northern climates. The earth energies are so ready and willing to help us heal, but we have to connect with them and ask.

Heartlink. Angel Ariel and all the Healing Angels and your authentic essence that you hold in your Soul Star, help to keep you centered, balanced and in your truth. If you stay in your truth, you encourage those around you to do the same. You can meet those difficult moments in your life with ease by knowing what action to take, when to take that action, and who to call when you need help.

Nancy Russell

The energy of this point in time says, "YES"! Yes to ease and to new beginnings and attitudes of unleashed creativity.

Let us embrace our challenges as they present themselves, and as we do, we will see them dissolve. As we use our spiritual muscle, fear is thrown off and we burst with the joy of it. We smile with the awareness of energy intuition embracing our wisdom and consciousness. We are all students of this process. When we feel lost, alone, or confused, let us remember to invite our guides and angels to join with us to expand our ability and connection.

We have free-will enabling us to choose. By choosing a unity or oneness experience we can embrace each challenge, confusion, and our perception of delay.

In that space of oneness, "it" all becomes simple. We are here to heal ourselves and serve others.

## IET® and the 12-Strand Spiritual DNA

All life follows a divine blueprint that is called the 12-Strand Spiritual DNA. Science has investigated the first two physical strands (1st pair) of the DNA blueprint. There are five other double helix pairs in the DNA system (2nd to 6th pairs). In the 12-Strand system, the first pair is physical and the other five pairs are non-physical energy imprints in the human energy field. IET classes and attunements are designed to activate and restructure all 6 pairs of the 12-Strand DNA as follows.

**Basic Level IET Class** - works at the 1st (physical) and 2nd (emotional) pairs of the 12-Strand DNA and provides you with the ability to clear physical and emotional energy blockages from the cellular memory and leave in their place positive physical and emotional energy imprints.

**Intermediate Level IET Class** - works at the 3rd (mental) and 4th (karmic) pairs of the 12-Strand DNA and provides you with the ability to clear physical, emotional, mental, and karmic energy imprints from the human energy field and leave in their place positive energy imprints.

**Advanced Level IET Class** - works at the 4th pair (genetic soul profile) and 5th pair (soul cluster) of the 12-Strand DNA and provides you with the ability to discover your soul's mission and attract members of your soul's cluster to help you live your soul's mission and bring your dreams alive.

**Master-Instructor IET Class** - works at the 6th pair (alignment with the Divine) of the 12-Strand DNA and provides you with the ability to activate the DNA of others and attune them to the Basic, Intermediate, and Advanced Levels. In addition, once you are attuned to the Master-Instructor level IET Ray, your energy field will operate in an increased state of spiritual surrender known as "thy will, not my will".

## Our IET® Master-Instructor Training Class Helps You Reach for the Stars!

Our IET MI Training builds on all of the knowledge and techniques learned in our Basic, Intermediate, and Advanced Level trainings and is focused on teaching you to work directly with the 12-Strand DNA. The class has two main focuses: enhanced Master-Instructor techniques for clearing cellular memory and the human energy field, and teaching you to attune students and teach the Basic, Intermediate, and Advanced Levels. The theme for this class is "Reach for the Stars", and the techniques you will learn are designed to help you do just that in your life!

**Energy Attunements:** Strengthen and expand your energy field by receiving: 6 reattunements to the Basic IET ray, 6 reattunements to the Intermediate IET ray, 6 reattunements to the Advanced IET ray, and 1 attunement to the IET Master-Instructor ray.

**IET Power Symbols:** Learn how to use the secret IET Master-Instructor power symbols.

**Special Master-Instructors Only IET Techniques:** Learn special techniques like Energy Attunement Implants, 12-Strand DNA Alignments, the Karma Clearing Process, the Forgiveness Process, and more.

**Practical Spirituality:** Learn "business basics" of advertising and running your IET sessions and classes.

**Teaching IET classes:** You will be empowered to teach the Basic, Intermediate, and Advanced Level IET classes, as well as the IET for Pets class, IET for Kids class, and the Healing Angels class. Please note that about 25% of the students who take this class go on to teach classes.

**It Pays To Register Early!** Our early registration fee applies when the registration deposit is received at least 30 days prior to the class date. When registration deposits are received within 30 days of the class, the late registration fee applies.
