Healing the World One-Heart-At-A-Time

IET® continued to grow at a wonderful rate in 2006. We now have over 1,600 Integrated Energy Therapy® Master-Instructors who have taught more than 6,000 IET classes that have been held in over 25 countries with over 24,500 Basic, Intermediate, Advanced, and Master-Instructor IET students taught.

IET students are now being taught from our Dutch, English, French, German, and Spanish Basic, Intermediate, and Advanced IET manuals. In addition, we are working to have our Pets, Kids, and Healing Angels manuals available in all these languages as well.

We are pleased to announce that our *Healing Angels of the Energy Field* book is now available in French.

Integrated Energy Therapy® News

2006 - The Year We Wagged The World!

Thousands of IET students and Master-Instructors around the world joined their heartlinks and their energy to complete the first two phases of the World Angel Grid, which anchored the Grid to the planet, and offered an incredible healing to the world. This year we will continue with Phase 3 of the World Angel Grid and Bring Joy To The World! (see page 6).

2007 - The Year For Pure Joy

We are back from our 2006 MI Retreat sabbatical and in 2007 we will not just be offering one MI Retreat but four Regional MI Retreats. The theme for the MI Retreats will be Pure Joy. Each retreat will be one-day long and will feature the new Phase 3 “Bringing Joy To The World” WAG process. (see page 7).

Honoring our Top Teachers

It is because of the loving efforts of all of the IET Master-Instructors who have followed their hearts, honored their soul’s purpose, and applied their gift of teaching to IET, that our IET community has grown around the world. We offer our thanks to all Master-Instructors, whether they have taught one IET student or one hundred IET students. This year we are honoring the Top 26 Teachers of 2006 as well as our 2006 Teacher of the Year. (see page 3).

A World of Healing

Our world wide IET community grew by over 1600 new IET students from 18 countries in 2006. These new students live in Argentina, Austria, Belgium, Canada, England, France, French West Indies, Germany, Guadeloupe, Ireland, Mexico, Northern Ireland, the Netherlands, Scotland, Spain, Switzerland, the UK, and the USA. We would like to welcome these new students to the IET community and thank the angels for opening the doors world wide for the healing gift of IET.

Wishing You and Your Loved Ones a Joy Filled New Year!

Stevan Thayer

The five steps of the IET process are Energize, Trigger, Release, Integrate, and Pure Joy. Pure Joy is a byproduct of clearings created by IET energy, and it is our natural state of being. In 2006, we supported the angels in accelerating our world wide journey to joy through the creation of the World Angel Grid. In 2007, we will continue to help the angels by expanding the worldwide IET community and by working together in October to create Phase 3 of the World Angel Grid. The angels say that 2007 is going to be a memorable milestone on this journey to joy, therefore, we have set the healing theme for 2007 to be "Pure Joy".

Thank you for being our traveling companions on this incredible, angelic, spiritual, healing Journey to Joy.

Ode to JOY.

J is for Justice and peace in the world. Let's expand it in 2007.

O is for the shape your mouth forms when you see something beautiful like a red sunset over the mountains or ocean, and the feeling that settles into your soul. Remember that the world is a reflection of what we feel inside.

Y is for Your special angel, and the messages you receive that are created just for you. You can make a difference. Healing the world one heart at a time.

Live life to the fullest, and spread JOY around the world.

Carol Armitage

Karen Puglia

Happy New Year! May 2007 bring us all that we desire. The IET theme for 2007 is Pure Joy. What a wonderful thought. Creating a life full of joy. What does that mean? I suspect it means something different for each one of us. I also suspect that a person filled with joy is very contagious. Let the universe know what brings you joy. Create a vision board and let's spread Pure Joy out into the world.

"JOY to the world!" A phrase that is sung during the Christmas Holiday and that was also sung and made famous by a bullfrog named Jeremiah. Joy is nothing that you create in your conscious mind, instead it rises from within your heart. I believe it is part of the individual spark in you that was given by the Divine Creator. When you are able to call your true essence, that Divine Spark, forward into your daily life and interact with another energy, be it another human being, a nature spirit, an angel, etc. who also connects with you from their essence, the two of you create JOY! So reach deep within and call yourself forward. You can begin to know and live from your greatness.

You never know what you will create... ribbit! [that's bullfrog for "JOY To You!"]

Announcing IET's Top 26 Instructors of 2006

In October 1998, when the first IET® Master-Instructor class was taught by Stevan, the IET student community consisted of just over 300 IET Basic, Intermediate, Advanced, and Master-Instructor students taught. Today the IET community has grown to just over 24,500 Basic, Intermediate, Advanced, and Master-Instructor students taught. This rapid growth in the size of the worldwide IET classroom is due to the loving work of the hundreds of IET Master-Instructors who have responded to their heart's desire to teach, faced their fears, and, with the help of their angels, taught IET classes. We offer our profound gratitude to all IET Master-Instructors who have taught IET to one or to one hundred students. It is through their loving work that we are fulfilling the angels' mission of healing the world one-heart-at-a-time.

In 2005, we initiated a new program designed to honor the IET Master-Instructors who have contributed the most to the growth of IET each year. We are continuing this program and have identified the Top 26 IET Instructors for 2006. These are the Master-Instructors who, based on the class lists we have received, have taught the largest number of Basic, Intermediate, and Advanced IET students over the period December 1, 2005 to December 1, 2006. In addition to having their names listed alphabetically below, they will receive a special "Top 26 Instructors of 2006" certificate from The Center of Being, and will be honored on our www.LearnIET.com website. Several of the top Master-Instructors always taught as two or three person teaching teams. Each team was counted as one person in the top 26. This resulted in 31 top Instructors total. Please join with us in extending a heartlink of congratulations to our Top 26 Instructors of 2006 **listed alphabetically** below.

USA CEUs: 16 NCBTMB Massage CEs are available for this class.

Saturday's Agenda is focused on IET Master-Instructor practitioner techniques. You will receive the M-I attunement and learn to use sacred geometry to harness the IET energy rays to work directly with the DNA for your self-healing and supporting others. You will learn the 12-Strand Alignment Technique, the IET Powerburst Technique, the I-Chi Technique, the Karma Clearing Technique, and more.

Sunday's Agenda is focused on attuning IET students, teaching IET classes, and learning extended IET skills. Our program lets you immerse yourself in all the IET energy rays, which optimizes your 12-strand DNA, and helps you reach for the stars in your own life.
