Healing the World One-Heart-At-A-Time

Since 1994 when Stevan began teaching IET® he asked the angels to help spread IET beyond its origins in New Jersey to New York, or even New England. The angels have done this and more. Today there are IET students in 60 countries including Denmark, Egypt, Israel, Italy, South Korea, and Venezuela. We are truly honored and blessed by what the angels (and the IET Master-Instructor Earth Angels) have done.

IET® continued to grow at a wonderful rate in 2009. We now have over 2,350 Integrated Energy Therapy® Master-Instructors who have taught more than 9,500 IET classes that have been held in 30 countries with over 36,000 Basic, Intermediate, Advanced, and Master-Instructor IET students taught.

Integrated Energy Therapy® News

Our New IET Class Agendas Are Well Received!

We are pleased to announce that our new “Unified” IET Basic + Healing Angels weekend class agenda, as well as our “Intensive” Basic + Intermediate + Advanced extended weekend class agenda, have been very well received by IET students and the Master-Instructors who taught them. Both of our new agendas are designed to provide students with complete trainings and deeper experiences, in a weekend format. Now Master-Instructors can offer IET classes using both our traditional one-day class agendas or our new class agendas.

Its Time Again for a Treat!

Announcing our 2010 IET M-I Retreats

In 2008, The Center of Being, Inc. began an every other year schedule for Master-Instructor Retreats. Accordingly we did not offer M-I Retreats in 2009. Now in 2010, it is time once again for us to offer our M-I Retreats! This year we are offering not one, but four Retreats held in regional locations to best serve our IET Master-Instructor community. This year’s Retreat theme is “Unity In Action” and features our new IET Homecoming and Unity in Action processes. Please see page 7 for additional details.

Homecoming is a Hit

Angel Ariel’s Homecoming Process has been touching hearts around the world. Many IET Master-Instructors held special Festival of Light events in 2009 featuring our new Homecoming Process. We offer our gratitude to all of the Masters and students who participated in our Festival of Light programs.

IET for Pets Home Study Course is Very Popular

Our IET for Pets Home Study Program introduced in 2009 is very popular and has received high marks from students. It is available to any IET student who has completed the Basic Level IET class. Please see page 6 for details.

Messages From Angel Ariel

Stevan has channeled messages from Angel Ariel about transforming the current state of our world. We have excerpted the highlights of her messages below. You can read the complete text of Angel Ariel's messages on our website at www.LearnIET.com/messages_from_ariel.htm.

LOVING KINDNESS: channeled on December 18, 2009 by Stevan J. Thayer.

As your calendar comes to its annual close, people worldwide celebrate the Divine through wonderful religious holidays. This worldwide celebration of the Divine has at its core honoring the presence, and power of the gift of love that the Divine has brought into your world. When it comes to the energy of love, we observe that people are not very good vessels for storing the energy of love, but they are magnificent channels for bringing the energy of love from the Divine through them to give to others. Giving the gift of love to others is the perfect way to celebrate, and honor the Divine. And the perfect gift for you to give others is the gift of loving kindness.

You can start your loving kindness gift-giving through your loving thoughts. This can include thinking kind and loving thoughts about the people in your life. It can also take the form of avoiding thinking negative thoughts about people in your life. Both are wonderful expressions of loving kindness.

As you practice directing the energy of loving kindness with your thoughts and words, you can begin to extend the energy of loving kindness into your actions. This can take the form of a kind word or deed designed to help another person. Something that you know a person would appreciate. You will soon find that loving kindness is something that everyone enjoys receiving. It is a gift to the giver as well as to the receiver. One size fits all. It is never returned or exchanged. And it can be offered throughout your year.

UNITY IN ACTION: channeled on January 24, 2010 by Stevan J. Thayer.

Your life is a spiritual path designed to bring you into unity with all. And when a human being experiences this unity, they become filled with peace. While peace may appear passive, it is in fact a dynamically active positive force, what we call the force of "Unity in Action".

When you passively exist in the state of peace you will be unaware of the powerful effect that the force of Unity in Action is having in your world. While you are simply "being", you are unconsciously "doing" a great deal. As you sit in a state of peace, you open up a "Unity Channel" to all life on your planet, and you permit the very force of life that creates and evolves your world to move lovingly through this Unity Channel. You are allowing your creative mind to sit in awareness of the power of life, the power of love, the power of the Divine. In addition, the power of your creative thought is not adding more fear into the world, and you are enabling the loving force of the Divine to shift the balance of love in your world. Every heart that opens to the power of love and experiences inner peace, and every mind that stops adding more fear-based thinking into the energy of your world, makes a powerful shift in this balance.

As you settle deeper and deeper into the experience of Homecoming, the force of Unity in Action will, through the Divine Feminine Principal, magnetize to you the things your soul needs for you to enact your life's essential purpose and live your soul's mission.

World peace is achieved not by ending world war, but by person after person being at peace within themselves. When enough people exist in a state of peace, the scales will tip and the energy of your planet will shift people out of the dimension of fear and move them into the dimension of love. Every person who can enter into the state of peace will accelerate this tipping. World peace begins with you. We invite you to help us heal the world one-heart-at-a-time, and accelerate the journey of your soul, by practicing Homecoming and making inner peace a part of your daily life.

Make the Shift in 2010

It is written, “seek and ye shall find”. The question is what is your mind seeking? If you seek to see the bad in people, then you will find the bad. On the other hand, if you shift your vision to see the world with what Angel Ariel calls “The Eyes of an Angel” (seeing the world more with your heart than with your eyes) you can see the love that is present, you can see the good in people, you can shift from judging to loving. When you shift your focus this way you open up what Angel Ariel calls a “Unity Channel” that allows the Divine energy of love to automatically flow between you and the objects of your focus. This unity channel is a source of healing that creates a positive upward healing spiral that ripples from person to person into the world and attracts more and more loving situations to you as it fills your life with experiences of peace and love as you become a beacon of love in the world. Please join with me to Make The Shift!

From Loving Kindness... to Unity in Action

The more we work together, the more gets done, exponentially. While it may feel overwhelming to do something myself, when I'm with others, the actions seem more enjoyable and filled with ease. Thus, while I can do something alone, it is much more effective when I do it with others. When actions unite or align, the results are inspiring. Thus, I plan to set aside time in 2010 to unite with others toward positive action, loving kindness, and going with the flow - enjoying it all the while! We at the Center look forward to working with all of you in 2010!

Let's Pay It Forward!

Several years ago, I saw a movie called, *Pay It Forward* whose theme was “Do something nice for someone now, and they will in turn do something nice for someone else in the future, and so on”. How many times have you tried to drive out of a street and someone lets you in? Then later on, when you are driving and someone needs to enter traffic, you let them in. Why not simply start offering loving acts of kindness and let that kindness begin to ripple forward into the world? Perhaps you could call someone you know would like to hear from you, or visit an elderly neighbor, or offer to help a friend with their housework. I wish you and your family a Very Happy Giving and Receiving in 2010.

Voice your Soul ... Live in Unity

Maria Peterson

Our soul's voice is a voice that we have confidence in and trust: a voice that lives beyond the control of our emotions and belief systems. When we use our soul as the guiding voice, we have a resilient, inspired conductor that directs our life to move gracefully and beautifully into the flow of the divine plan. Our soul's energy unites with others who are on a similar path, creating a great universal orchestra with a sweet, powerful melody. In 2010, I urge you to let your soul's voice speak and enact the energy of your soul's unique voice as you unite in the divine melody with the voices of fellow souls. Blessing you with a strong, clear, harmonious and united choir for 2010.

Announcing IET's Top 29 Instructors of 2009

Our IET community has grown to over 36,000 Basic, Intermediate, Advanced, and Master-Instructor students. This rapid growth in the size of the worldwide IET classroom is due to the loving work of the hundreds of IET Master-Instructors who have responded to their heart's desire to teach, have faced their fears and, with the help of their angels, taught IET classes. In 2009, 248 Master-Instructors taught one or more IET classes. Collectively they taught just over 1,160 Basic, Intermediate, and Advanced Classes, to just over 3,350 students. The largest class had 20 students and there were many 1-student "private" classes. The average class size was 3 students. We offer our profound gratitude to all IET Master-Instructors who have taught IET to one or to one hundred students. It is through their loving work that we are fulfilling the angels' mission of healing the world one-heart-at-a-time.

The Top 29 IET Instructors for 2009 are the Master-Instructors who, based on the class lists we have received, have taught the largest number of Basic, Intermediate, and Advanced IET students over the period December 1, 2008 to December 1, 2009. Collectively, these Top Instructors taught over 1750 IET students during this time period. In addition to having their names listed alphabetically below, they will be able to list their 2010 IET classes on our website, receive a special "Top 29 Instructors of 2009" certificate from The Center of Being, and will be honored on our www.LearnIET.com website.

When It Hurts – IET Can Help You Self-Heal

2010 Integrated Energy Therapy® Master-Instructor Class Schedule

How often have you experienced a sudden unexpected downturn in physical, emotional, or mental wellness? One of the greatest gifts of IET is that it empowers you to work on yourself to direct the power of angelic energy to bring and keep you on the upward path. In addition, whenever you direct IET, either through client sessions or teaching classes to support others, your personal spiritual self-healing journey is accelerated.

Our IET Master-Instructor class takes the power of IET to its ultimate level. Our program lets you immerse yourself in all the IET energy rays, which optimizes your 12-Strand DNA, and helps you reach for the stars in your own life. Saturday's agenda is focused on using sacred geometry to harness the IET energy rays as you work directly with the 12-Strand DNA for your self-healing as well as for supporting others. You will learn the 12-Strand Alignment Technique, the IET Powerburst Technique, the I-Chi Technique, the Karma Clearing Technique, and more. Sunday's Agenda is focused on DNA techniques for attuning IET students and teaching Basic, Intermediate, Advanced, Pets, Kids, and Healing Angels IET classes.
