The Center of Being, Inc has been in business since 1989. We are a holistic health education company, teaching and supporting Integrated Energy Therapy classes around the world.

In an effort to improve your product ordering experience, we are pleased to announce that we are now working with Excelsior Integrated (a fulfillment company in Lee, MA) to ship our products.

Hence, you will soon notice a new look to our shopping cart, as well as our ability to ship Monday thru Friday.

You will be able to see your shipping charges as you check out, and have the choice of standard or expedited shipping as needed.

You still have two choices for how to pay (credit card or PayPal). And you will receive an email with tracking information, once your order ships.

There may be a few changes you will notice in our product list, but these are necessary to gain the other advantages of working with a fulfillment company. And we will now have to charge sales tax in both NY and MA, so if you have tax exempt status, please let us know before you order.

And of course, you can still call Barbara Stepniak (845-657-7220) at The Center of Being if you have any questions.
