New LearnIET website is coming!!

We are very excited to announce that we have designed a new LearnIET website, with many new features we think you will enjoy and benefit from. We expect to cut over to the new website in early June, so are simply letting you know in advance what some of the new features will be:

There's a new look and feel to the website, with a new navigation (button) structure at the top of the home page, making it easier for you to navigate right to the page where you want to be. We've tried to make it easy to find the information you want.

There's a new way of looking up classes you may want to take, and a new way to find instructor and practitioner

12-Strand DNA Alignment
I-Chi Process
IET Power Bursts
Amplifying IET Energy

Angel Ariel Message

While you look at the angelic realm and see billions of angels, we only see one angel. One unified life whose joy it is to love the Divine and serve mankind. While you look at the human realm and see billions of people, we only see one unified Life, that takes many human forms, and has the ability to love the Divine and serve mankind.
