Our IET® Mission is to "Heal the world one-heart-at-a-time".

Read more details about your Instructor or Practitioner with our New Personal Webpages!

Just introduced! Look for the light purple box in the table and the highlighted name, when you are looking in our "Find a Practitioner" and "Find an Instructor" pages and link to the personal webpage of the Master-Instructor who is offering that service! You can read more about them, see their picture, and see what services they offer. It's great way to connect before you decide which class or service you may want!

If you are a Master-Instructor, you can achieve maximum visibility with our new personal webpage service!

A personal webpage offers an opportunity to Master-Instructors who also subscribe to the Instructor and/or Practitioner service (it is not available on a stand-alone basis) to create a dedicated page that highlights more detailed information about yourself. The personal webpage is a template based design. You complete the template, upload your pictures and the webpage appears on the LearnIET website. You can then edit and change your personal webpage at any time without contacting us. Login to your account to upgrade your services.

Messages from the IET Healing Angels

While you look at the human realm and see billions of people, we only see one unified Life, that takes many human forms, and has the ability to love the Divine and serve mankind.

Thank you Angels for your gift of empowering us to heal ourselves together with you through the energy of love.
