## Journal of Energy Therapy

April 2017

Our IET® Mission is to  
"Heal the world one-heart-at-a-time".

**A personal Message  
from Angel Ariel:"**

One difference between angels and humans is that humans have self will and angels don't. One thing in common between angels and humans is that they are both guided by Divine will. Surrender your self will to Divine will and let miracles happen in your life.

### IET Soulbuddies Ease and Expand Your Life's Self-Healing Spiritual Journey

One of the greatest gifts I have received along my life's self-healing spiritual journey has been from the love and support of my soulbuddies.

An IET soulbuddy is another IET practitioner (at any level of IET study) with whom you exchange IET sessions. You use your IET practitioner techniques to help your soulbuddy live their soul's mission as your soulbuddy uses their IET practitioner techniques to help you live yours.

Please don't underestimate the transformative potential that having an IET soulbuddy can have on your life. Even if both of you are still learning your IET techniques and you each feel insecure in being able to offer each other IET sessions, remember that the angels will be working with you and through you during each session.

Why not invite an IET soulbuddy into your life and ease and expand your life's self-healing spiritual journey?

**Testimonials**

Thank you for all the good work you do. I am delighted to continue the work of IET here at my center. I've done therapeutic massages for 14 years here and now some of my long time clients are asking for IET and are overwhelmed with the healing they experienced. Thanks for sharing with the universe your gift.
