### **Heal Your Heart - Empower Your Life**

On February 14th love is celebrated in many countries around the world with Valentine's Day. The attention that Valentine's day focuses on love, creates a perfect energetic environment for each of us to align with the vibration of love and heal our suppressed cellular memories, especially those resulting from betrayal, rejection, loneliness or loss. Having an open radiant heart center is essential to living an empowered life and this is a perfect time for us to clear the energy of suppressed cellular memories from our heart center and open our heart center to its fullest potential.

A technique that I have used to clear my heart's cellular memory is simple yet powerful and brings together the IET Heartlink, the angelic healing gifts of Angel Cassiel, the power of soul gazing, the effectiveness of telling yourself the love filled messages that you want to hear and the IET treatment sequence for Cellular Memory Area 6 - the heart center. Here is my technique.

**The Power of The IET Power burst:**

Last night I injured my left middle finger. I went to bed and for the next hour applied a power burst with all three symbols in it and called on Archangel Raphael to heal it completely and asked that it continue to heal throughout the night. Within minutes the pain ceased. This morning as I awoke the swelling is gone there is no visible signs of any damage at all, no black and blue and I can bend my finger fine. It never ceases to amaze me. Thank you Angels for your gift of empowering us to heal ourselves together with you through the energy of love.
