The Benefits of Having a Spiritual Obstetrician

A spiritual obstetrician is a soul buddy or soul mate who helps you safely bring your spiritual gifts out of the metaphoric closet where you are hiding them and bring them into the world. Your spiritual obstetrician sees the wonderful gifts that you have to offer the world but they do not have your fears that hold you back from bringing your gifts out into the world. It is part of your spiritual obstetrician's soul's mission to lovingly help bring you and your gifts out of the closet, onto the stage of your life, and shine a spotlight on your gifts and talents so that others can see and benefit from them.

A personal Message from Angel Ariel:

"It is a key spiritual skill for you to develop the ability to learn whether a difficulty is an opportunity for growth or whether it is a signal of misdirection." (IWA 259)

Last Chance to give feedback

Recently we sent out a survey in an effort to better understand what the students and Master-Instructors of IET need and/or would like to see. We received a great response so far! We truly value and appreciate any feedback you provide. We are continuously trying to improve the Integrated Energy Therapy system.

Feel free to give feedback on the questions that resonate with you. You do not need to complete all the questions.

Although individual results will be kept anonymous, the compiled results of the survey will begin to be summarized in our July newsletter.

The survey will no longer be available as of June 30, 2017.
