Our IET® Mission is to
"Heal the world one-heart-at-a-time".

A personal Message from Angel Ariel:"
Things of the world that might be perceived as setbacks, losses, difficulties or challenges are indeed none other than experiences in the flow of your life that the Divine has lovingly guided you into, to build your strength, redirect your journey, teach you something you will need to know, cause you to meet someone who is important for you to meet or to build an aspect of character that is necessary for what will come." (IWA 324)

**Testimonials
IET and Pets**

I spent today at our local animal shelter. This seems like the perfect complement to my work. I wanted to have a bunch of animals to try it out on. So I called up the animal shelter and explained what I wanted to do. I was thankful that they were receptive. I figured I would just go there and play it by ear. They gave me some suggestions on who they thought were the neediest but ultimately I left the decisions up to the animals. I figured that the animals in a shelter situation would be a good test. I had to climb into their cages with them. I only had time to work with dogs but I have several cats I am going to work absentee on. Initially they were very excited and animated. I massaged and soothed. The anxiety level in the shelter setting is incredible. I plan to return and work some more.
