Opportunity to provide feedback on Integrated Energy Therapy

Recently we sent out a survey in an effort to better understand what the students and Master-Instructors of IET need and/or would like to see. We received a great response so far. If you did not receive the email and would like to complete the survey, we included the link below that you can follow to participate. We thank you in advance for taking the time to send us your input! We truly value and appreciate any feedback you provide. We are continuously trying to improve the Integrated Energy Therapy system.

Feel free to give feedback on the questions that resonate with you. You do not need to complete all the questions.

Although individual results will be kept anonymous, the compiled results of the survey will begin to be summarized in our July newsletter.

A personal Message from Angel Ariel:™

"It is a most frustrating aspect of your human journey to have all the wisdom and the knowledge in front of you, but based on your spiritual understanding, to be blind to it. And yet, while the mind is blind the soul is not. In time, if you are fortunate, the part of you that has gained what you call knowledge will understand what the soul already knows."

Testimonials

I just wanted to express my gratitude for the amazing work that is being done here. I took the 3 level training in Studio city last weekend and have done 4 IET sessions in the 4 days since the training - with 3 scheduled for the next three days. I am honored and thrilled beyond words at what is happening with myself and my clients/friends so far! I have been trained in many many things and never 'followed through' - I knew this was different. I lack no self-confidence with this amazing gift and am experiencing miracles in my life and the lives of my friends. Whew! Thank you sooooo much. From an IET student in California
