Steps to Transformation Step 3: Clearing Karma

Do you ever find yourself in the same (often unpleasant) situations? These repeat situations are the result of Karma. This one hour audio program will lead you through the Integrated Energy Therapy Karma Clearing process that clears your Karma with the Energy of Angels. You will experience the IET vortex process (click [HERE](#) to read about the process), learn to use special Karma integration points, call upon Angel Gabriel and much more.

The LearnIET website has a wealth of information for both Practitioners and Master-Instructors. Below is a highlight of the information on the Sessions page.

About IET Sessions - This is the page where we explain IET sessions, the benefits of the sessions, the different level of IET Practitioners and what you may experience after receiving a session.

For Practitioners - This is the page where we list information we think could be useful to IET Practitioners.

Coming Soon!!!

We are adding new sections for information and product offers specific to each level of Practitioner, which will be password protected. These pages are currently under construction, but will be available this Fall. We will be sending an email in the coming months with usernames and passwords for all practitioners, which you will use to access each of the sections below.

Benefits of IET Sessions

IET helps you to safely and gently release limiting energy patterns from your past, empower and balance your life in the present, and embody your full potential as you move into your future. For more information and to Find a Practitioner, click [HERE](#).

IET practitioners work with a special channel that serves to re-balance the flow of energy to support the body's natural ability to maintain proper mental, emotional, and spiritual balance. Read a great article by Master-Instructor Jo Homar about getting the "issues out of your tissues" click [HERE](#).

A special message from Angel Ariel:

"You cannot make one move in life, make one choice, offer one viewpoint, get angry or be happy in a way that does not ripple through and affect the entire structure of your universe."
