## Optimizing your 12-Strand DNA can Make Your Dreams Come True

Your 12-Strand DNA has stored within it the blueprint for all aspects of yourself that may unfold in your life when you are in need of them and spiritually ready for them. These aspects can be at any level from the 1st DNA pair (physical) to the 6th DNA pair (unity with the Divine) and will unfold at the divine right time and in the divine right way to support you in living your soul's mission and manifesting your reach.

IET Master-Instructor Practitioners have the ability to optimize their own, and their client's, 12-Strand DNA by focusing angelic energy rays using special IET sacred geometric symbols.

**The LearnIET website has a wealth of information for both Practitioners and Master-Instructors. Below is a highlight of the information on the [About Our Classes](#) page.**

Integrated Energy Therapy® is an attunement based energy therapy system. Each level of our IET® training system contains an energy attunement that works directly with the 12 Strand DNA to expand, realign, and restructure one or more pairs. Each IET® attunement builds progressively with the others to ultimately bring all six pairs of DNA into their full power. IET®attunements can only be done by a certified IET® Master-Instructor listed in our International Directory of Master-Instructors and must be done in person (they cannot be done remotely).

**Basic Level Class**- works at the 1st (physical) and 2nd (emotional) pair of the 12 Strand DNA and provides students with the ability to clear physical and emotional energy blockages from the cellular memory and leave in their place positive physical and emotional energy imprints.

**Intermediate level Class**- works at the 3rd (mental) and 4th (karmic) pair of the 12 Strand DNA and provides students with the ability to clear

physical, emotional, mental, and karmic energy imprints from the human energy field and leave in their place positive energy imprints.

**Advanced Level Class**- works at the 4th pair (genetic soul profile) and 5th pair (soul cluster) of the 12 Strand DNA and provides students with the ability to discover your soul's mission and attract members of your soul's cluster to help you live your soul's mission and bring your dreams alive.

**Master-Instructor Level Class**- works at the 6th pair (alignment with the Divine) of the 12 Strand DNA and provides students with the ability to activate the DNA of others and attune them to the Basic, Intermediate, and Advanced Levels. In addition, once you are attuned to the Master-Instructor level IET Ray, the student's energy field will operate in an increased state of spiritual surrender know as "thy will not my will"

**MI Only Events**- After you have become an IET Master-Instructor, we offer additional classes and events that only you can attend! The purpose is to support you in your on-going journey, to offer an environment where you can review what you have learned, get together with other Master-Instructors, ask questions, practice techniques, and have fun!

**Steps To Transformation**- These fourteen steps will help you heal your trauma without having to relive the drama or pain. In these workshops, the Master-Instructor teaching the class will share their angelic energy connection with you, and teach you to establish your own energetic connection with the energy of nine Healing Angels. You will learn to use ancient sacred geometry, combined with special techniques that Stevan J. Thayer channeled from Angel Ariel, to "get the issues out of your tissues for good"!

**Healing Angels Class**- We developed our "Healing Angels" class to support two groups of students. It is perfect for students who do not have any Integrated Energy Therapy® Training but who love angels and who would like to meet and work with the nine special angels of healing (Ariel, Raphael, Gabriel, Celestina, Faith, Cassiel, Daniel, Sarah, and Michael). It is also ideal for IET students who want to learn to call upon the Healing Angels and add a special spiritual dimension to their sessions.

**IET for Pets**- Our "IET for Pets" class was developed for people with pets as well as people without pets who love animals. Our objective in designing this class was to focus on cats, dogs, and horses and to teach how to offer a complete Basic Level IET session to these wonderful creatures. This class explores the soul's mission of these three types of pets (through information channeled from Angel Ariel), details their nine cellular memory areas, their IET integration points, and the complete step-by-step session procedures.

**IET for Kids**- Our "IET for Kids" program was created in response to ongoing requests we have had from parents who have taken our Integrated Energy Therapy® training class and who wanted their children to share in the wonderful experience. Our IET for Kids class has been developed especially for children ages 7 to 12. The class provides children with the gift of knowledge in a fun atmosphere.

**IET Special Events**- Many IET Master-Instructors are hosting offerings in addition to the standard IET classes. A short generic description of each is given on the IET Special Event page (but details of the actual class given will vary)
