Our IET Earth Angels team is expanding to include all levels of IET Practitioners to support individual angelic support requests and continue to make a wonderful difference in the world.

If you want to volunteer to send energy to those requesting energetic support, here are several ways we suggest you consider for sending the angelic energy. Pick the way that is best for you.

1. You can simply heartlink!!
2. You can do a remote 5-minute empowerment treatment.
3. You can do a full absentee IET session!!

How Integrated Energy Therapy® supports your spiritual self-healing journey.

We all have a 12-Strand DNA which is a spiritual blueprint for our soul's mission, the life experiences and situations that our soul wishes us to have, and all of the creative gifts that we will need in our lifetime.

As you grow, your 12-Strand DNA creates imprints in your human energy field (Aura) that can attract the life experiences and situations that will allow you to express your creativity, experience empowerment, and fulfill your soul's mission. This will include experiences filled with ease and joy as well as ones that are difficult and painful.
