

Integrated Energy Therapy®

Journal of Energy Therapy

September 2018

Our IET® Mission is to
"Heal the world one-heart-at-a-time".

Coming Soon!!!
We are in the process of making several exciting changes
to the Learniet.com website.

For Master-Instructors -- The manage your account section is getting upgraded to make it easier than ever to verify a student, enter a class you taught or look at the classes you already submitted to the Center of Being. In the coming weeks you will receive emails from the Center of Being explaining these changes along with instructions on how to navigate and use the new features.

For IET Practitioners -- Every student will be assigned a special username and password upon completion of the Basic Level class. All IET Basic, Intermediate and Advanced Level students will have access to special pages that contain level specific information. The Center of Being will have the ability to share information on the website that pertains to each level, making it easier for practitioners to get information specific to the class level they completed. In the coming weeks all IET Students will receive an email with their username and password, along with an explanation of all the changes and instructions on what pages they can access on the website.

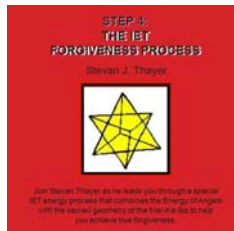

A special message from Angel Ariel:

"You're at a point in what you call time where, in the not too distant future, it will be an ordinary experience for the vast majority of people to see or to speak with angels."

Steps to Transformation Step 4: Forgiveness

What is the IET Forgiveness Process?

The IET Forgiveness Process invites three of The IET Healing Angels to help us as we forgive. Angel Faith, Angel Cassiel and Angel Daniel, along with sacred geometry and heart to heart energy exchange will allow you to experience true forgiveness. After completing the IET Forgiveness process, if you think back to the situation that you held a grudge or grievance against, the memory will be there but the energy will be gone because you have released it and you have truly forgiven.

Our IET Earth Angels team is expanding to include all levels of IET Practitioners to support individual angelic support requests and continue to make a wonderful difference in the world.

If you want to volunteer to send energy to those requesting energetic support, here are several ways we suggest you consider for sending the angelic energy. Pick the way that is best for you.

1. You can simply heartlink!!
2. You can do a remote 5-minute empowerment treatment.
3. You can do a full absentee IET session!!
