### Changes to the LearnIET website

We are making changes to the LearnIET website. We appreciate your patience and all the feedback we received while the updates were being done. If you are having issues with your username or password, please contact info@learniet.com. We will be sending out more detailed explanations of the changes in the coming weeks. The Basic, Intermediate and Advanced sections are almost complete and will be active very soon. All students now have usernames and passwords which will be emailed within the next few weeks.

In our ongoing effort to support the ever expanding worldwide IET Student Community, we are pleased to announce that we have just added eight new IET Trainers from four countries to our existing IET Trainer Team.

## Steps to Transformation Step 6: Future Life Progression

Our future life progression is an angelically guided journey to one of our future lifetimes in which we are brilliantly living our life's Essential Action. Experiencing ourselves living our life's Essential Action and our life's full potential can create a paradigm shift within us and help us live our life's Essential Action and our life's full potential in this lifetime.

Our IET Earth Angels team is expanding to include all levels of IET Practitioners to support individual angelic support requests and continue to make a wonderful difference in the world. If you want to volunteer to send energy to those requesting energetic support, here are several ways we suggest you consider for sending the angelic energy. Pick the way that is best for you.

1. You can simply heartlink!!
2. You can do a remote 5-minute empowerment treatment.
3. You can do a full absentee IET session!!
